If you have a few hours to spare and would like to get involved and have some fun, come out to one of our meetings held on the 4th Wednesday of each month at the Snow Road Snowmobile Clubhouse or talk to anyone of the executive for more information on the many opportunities available to assist. We are a volunteer organization and we want your help and input to ensure the sustainability of this great winter sport.

As of this coming season the Snow Road Snowmobile Club is the only club left within the Association that still has individual club membership. The K&P is responsible for all trail activities for Snow Road Club area as well as the areas once covered by the previous Ompah, Robertson Lake, Silver Lake and Sharbot Lake clubs.

Once again this year, we were fortunate to receive some grant money, this year from Tourism Ontario to assist us in maintenance on the rail lines to provide some gravel and grading to portions of trail from Glen Tay to Brewer Road and from Sharbot Lake to Flower Station. In addition to this work, the Association has completed other upgrades including portions of E-trail both east and west of Perth to repair swampy areas. Some up-upgrades and re-routes on E104A from 1st concession to 5th concession of Dalhousie and also west of Lanark as well as various other locations all of these improvements making better, safer trails.

We can never say "THANK YOU" too often to our many Landowners, who without the generous use of their lands our trail system would not be possible. Please respect private property and stay on marked groomed trails to avoid damaging these lands. Landowners grant permission for snowmobilers for the use of these trails for the season. They are not

Snow Road Snowmobile Club (SRSC)

We have been very busy at the Clubhouse this summer, a new addition has been added to increase kitchen and seating space. Old beams were removed, new foundations, radiant heat and cement floors installed. Thanks to an Ontario Trillium Foundation grant through the Township of Lanark Highlands, and thanks to many donations from local businesses and individuals as well as the hundreds of hours of volunteer labour that has gone into this project. The executive and volunteers of the Snow Road Snowmobile Club would like to thank their many loyal supporters who enjoyed our breakfasts and canteen offerings during the past season. This year, we'll be continuing with our hearty breakfasts, serving the "works" every second Saturday morning. These breakfasts are our main fundraiser, assisting us to pay the expenses for the clubhouse. Hope to see all of you during the season. We may be running the canteen Friday, Saturday and Sunday for your convenience.

A couple of years ago, local businesses were asked to sponsor a breakfast, we charge \$100 and ask the business to supply a sign with the advertisement they want to have posted, these will be posted in the clubhouse for the duration of the breakfast. After the breakfasts are completed, the signs will be installed on the large storage trailer, located in the clubhouse yard where they will remain for the coming year. We will supply and post a sign asking everyone to support our sponsors. The money raised from this venture will go into the building fund to help finish renovations. If you know of anyone who would like to sponsor a breakfast, please contact Ruth Wark 613-278-0477.

All of our events are held at the Clubhouse. We welcome your ideas, suggestions and help. Thank you to our snowmobiling public as well as the local community members for your outstanding support. Thanks to everyone who organized, helped and participated in any and all events, our volunteers are the backbone of our club. We greatly appreciate your support.
