We are a volunteer organization and appreciate your help and input to ensure the sustainability of this great winter sport. If you have a few hours to spare and would like to get involved come out to one of our meetings or contact anyone of the executive or see our web page for more information www.kptrails.com

Don't forget to "THANK" our many Landowners, without the use of their lands we would not have a trail system. Please respect private property and stay on marked groomed trails to avoid damaging these lands. Landowners grant permission for snowmobilers for the use of these trails for the season. They are not public trails for use of other users in the off season, unlawful access by ATV's or other off-road vehicle operators results in closure of trails.

Our trails are open as soon as we have permission from our various landowners and there is enough snow cover to safely groom the trails.

Water crossings will be staked and opened when there is sufficient ice for safe crossings.

Please check trail conditions and observe the signage.

Signage is a key component of the OFSC risk management system, many of the legal claims against the OFSC indicate missing or inappropriate trail signage, please report missing signs to club contacts.

OFSC Driver Training: To obtain your **Motorized Snow Vehicle License.**

Please contact one of the following driver trainers:

Joan Lindop 613-259-2698 or Karen Lindop Beckwith 613-259-5517

A course is scheduled for November 24 @ Snow Road Snowmobile Clubhouse. or check the OFSC website for other course locations

Snow Road Snowmobile Club (SRSC)

The executive and volunteers of the Snow Road Snowmobile Club would like to thank their many loyal supporters who enjoyed our breakfasts and canteen offerings during the past season. This year, we'll be continuing with our hearty breakfasts, serving the "works" every second Saturday morning. These breakfasts are our main fundraiser, assisting us to pay the expenses for the clubhouse .

Regretfully, Barb & Rick will not be operating the full service canteen this season. We thank them for their support and assistance for the past two seasons. The canteen will be open on the honour system this year during the snowmobile season. Hope to see all of you there or on the trails during the season.

Local businesses are welcome to sponsor a breakfast (minimum \$100) and provide a sign with the advertisement they would like posted. These signs are displayed in the clubhouse for the duration of the breakfast and are later installed on the large storage trailer located in the clubhouse yard.

All of our events are held at the Clubhouse. We welcome your ideas, suggestions and help. Thank you to our snowmobiling public as well as the local community members for your outstanding support. Thanks to everyone who organized, helped and participated in any and all events, our volunteers are the backbone of our club. We greatly appreciate your support.

The clubhouse is a great starting point for your snowmobile tour, a warm place to change your clothing and a large parking area available for your truck and trailer.

Hope to see you at our clubhouse throughout the winter and feel free to contact us anytime!

If you would like regular email notices about our events, please advise Lyle Conroy of your email address. junelyle@ripnet.ca
