

Snow Road Snowmobile Club year end press release.

We would like to thank everyone who supported our many breakfasts, dinners and other events over the past season. Thank you to our many dedicated volunteers who give so generously of their time and give donations to ensure we have a successful season.

We are especially thankful for all the many, many people who come from far and wide and supported our three annual charity fundraiser breakfasts that wind up our season. This year thanks to all your help we raised a total of \$1,096.50 for Alzheimers; \$1,079.00 for Cancer Relay for Life; and \$1137.25 for Melanoma; for a total of \$3,313.00 this included your donations. Thank you once again to Everyone.

Don't forget our Canada Day Breakfast on June 28th, in addition to our regular breakfast fare we will be holding a bake sale & yard sale this will be an excellent opportunity to get some of these great tasting goodies for the holiday week-end. if you have any items you would like to donate to our yard sale please contact one of our volunteers for pick up.

Special thanks to Lake 88, EMC; Lanark Era and Frontenac News for all or your great advertising of our events without your very special help and support we would not have the great crowds to support our efforts.

Snow Road Club is searching for some additional volunteers for executive positions to assist in many of our activities. If you would like to help out in any capacity or would like some information, please contact Ruth Wark, President 613 -278-0477 or email rmwark@storm.

Remember Everyone is Welcome to all of our Events, you don't have to be a snowmobiler, we are not just a snowmobile club but a community organization.
